Grade 1/2
Meadow Heights Primary School
Remote and Flexible Learning Planner

Week 9 Term 3	**Wednesday**
Webex ROLL CALL	**9:00 am** **Get onto webex to see your teacher and classmates for roll call.** **Dear Parents – Due to assessment week this week, there will be NO WEBEX LESSONS. We thank you for your understanding and support during this week.**
Reading	**NARRATIVE TEXTS** 1. View the story **Chicken Licken** by clicking on the following YouTube link: https://youtu.be/gzZbtMFP-_I 2. Draw or print the Story Map in your Remote Learning Book (See below in Activity Instructional Section for printable Story Map):  3. Complete the Story Map: · What is the **title** of the story? · Who are the **characters** in the story? · What is the **setting** in the story? · What happened at the **beginning** of the story? · What happened in the **middle** of the story? · What happened at the **end** of the story? 4. Draw pictures to match your writing

Writing	Narrative Sequencing Activity – *The Very Super Bear*

Today students will listen to the story *The very super bear.* After students have listened to the story they will be ordering events from the story and writing a description about each event.

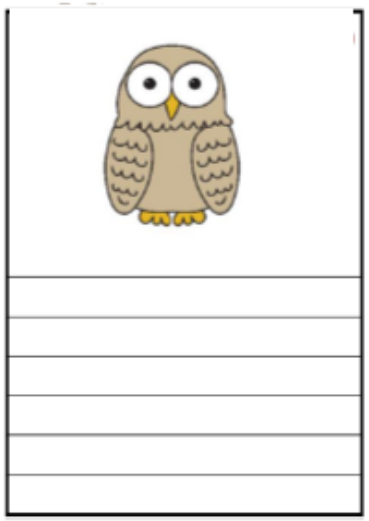
The Very Super Bear

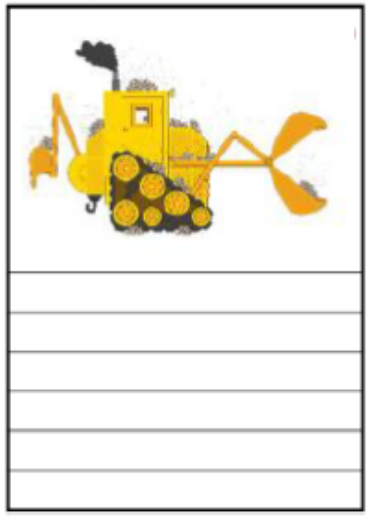
https://www.youtube.com/watch?v=9h-Nr9CaAS4

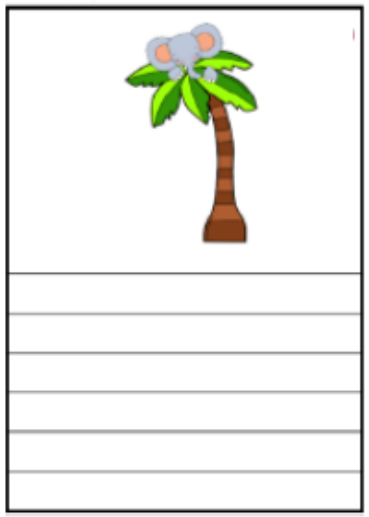
ACTIVITY:

The Very Super Bear by Nick Bland

Cut and paste – These are pictures from the very super bear story. First, write a description under each picture about these events from the story. Then cut out each picture and description and put them in order from the events that happened at the Beginning, middle and then the end of the story.







Maths

Patterns & Algebra

In your Home Learning scrapbook, complete the following number patterns.
Here is an example of a number pattern that counts by 5s.
5, 10, 15, 20, 25, 30 ….
To help you with your number patterns, you can use the link below for an interactive 100s chart:
https://www.abcya.com/games/interactive_100_number_chart

Blue Group – Copy and complete the counting patterns.

Counting by 1's

15, 16, 17, 18, _____, _____, _____, _____, _____.

26, 27, _____, _____, _____, _____, _____.

57, 58, 59, 60, _____, _____, _____, _____,

_____, _____, _____.

Counting by 10's

10, 20, _____, _____, _____, _____, _____.

40, 50, _____, _____, _____, _____, _____.

25, 35, 45, _____, _____, _____, _____, _____.

Yellow Group - Copy and complete the counting patterns.

Counting by 5's

35, 40, 45, 50, _____, _____, _____, _____, _____.

85, 90, 95, 100, _____, _____, _____, _____, _____.

24, 29, 34, 39, _____, _____, _____, _____, _____.

Counting by 10's

40, 50, 60, 70, _____, _____, _____, _____, _____.

135, 145, 155, 165, _____, _____, _____, _____,

_____, _____, _____.

150, 160, 170, 180, _____, _____, _____,

_____, _____, _____.

Inquiry	Today we will continue to discuss *People and our community.* People in Meadow heights have lots of occupations (jobs) and they help the community in different ways. Whether they help in big or small ways all their help makes a difference. Your activities today will help us to understand how your family helps the community – 1. First you need to ask mum and dad how they contribute to the community. How do they make a difference? . Here are some examples – Recycling, volunteering at the hub/canteen, coaching a sports club, caring for family members/neighbours/kids, mowing the lawn for neighbours etc.. 2. To present your information you can choose one of the following ways - a collage (pictures of photos of your parents work) , poster (Drawn pictures and explanation of their job), picture and sentence, video parents speaking about their job.
Play Based	Please go to the Activity Instructional Section for ideas of activities that your child can do. Enjoy!

Activity Instructional Section Below

Play Based Ideas

It's time to have some time off from technology - Here are some fun activities for you to do!

Drawing with pencils, crayons or chalk	Do some painting
Do some colouring in	Crafts – make something using paper and any other materials from around the house
Do some origami	Listen to some calm music
Puzzles	Playdough
Play a game outside in the backyard	**Card games** are fun to play with your family – Uno, snap, Memory
Board Games such as Snakes and Ladders or Monopoly	Lego
Make your own board game or card game	Build something with Blocks
