Friday, March 6th – Rubbish Free Day

Much of the rubbish that we send to landfill comes from the packaging on the food we buy, and lunch foods are no exception. This works out to be 15 tonnes of waste produced by a school of 500 students each year from lunch boxes alone! We, at Meadow Heights Primary, would like to reduce waste produced by our school community.

We would like all parents, carers and children to make an effort to bring their lunch in containers so there is no rubbish to put in the bins. If you bring rubbish to school on this day, you will be asked to take it back home so PLEASE no gladwrap, foil, chip packets; use containers instead. We are going to have regular rubbish free days throughout the term so keep an eye on this space in the newsletter.

SCHOOL INJURIES AND INSURANCE

Parents and guardians are responsible for paying the cost of medical treatment for injured students/children, including transport costs. Most medical costs will be refundable by Medicare. If you are a member of an ambulance or health insurance fund, you may also be able to claim transport or other expenses from the fund.

The Department of Education and Training does not hold accident insurance for school students.
