PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Meadow Heights Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Meadow Heights Primary School's grounds are supervised by school staff from 8:50 until 3:30. Outside of these hours, school staff will not be available to supervise students.

Before and after school, school staff will supervise **the school oval and east entrance of the school.**

Parents and carers will be advised through notifications on Compass and regular reminders in our newsletter that they should not allow their children to attend Meadow Heights Primary School outside of these hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Meadow Heights Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Meadow Heights Primary School, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

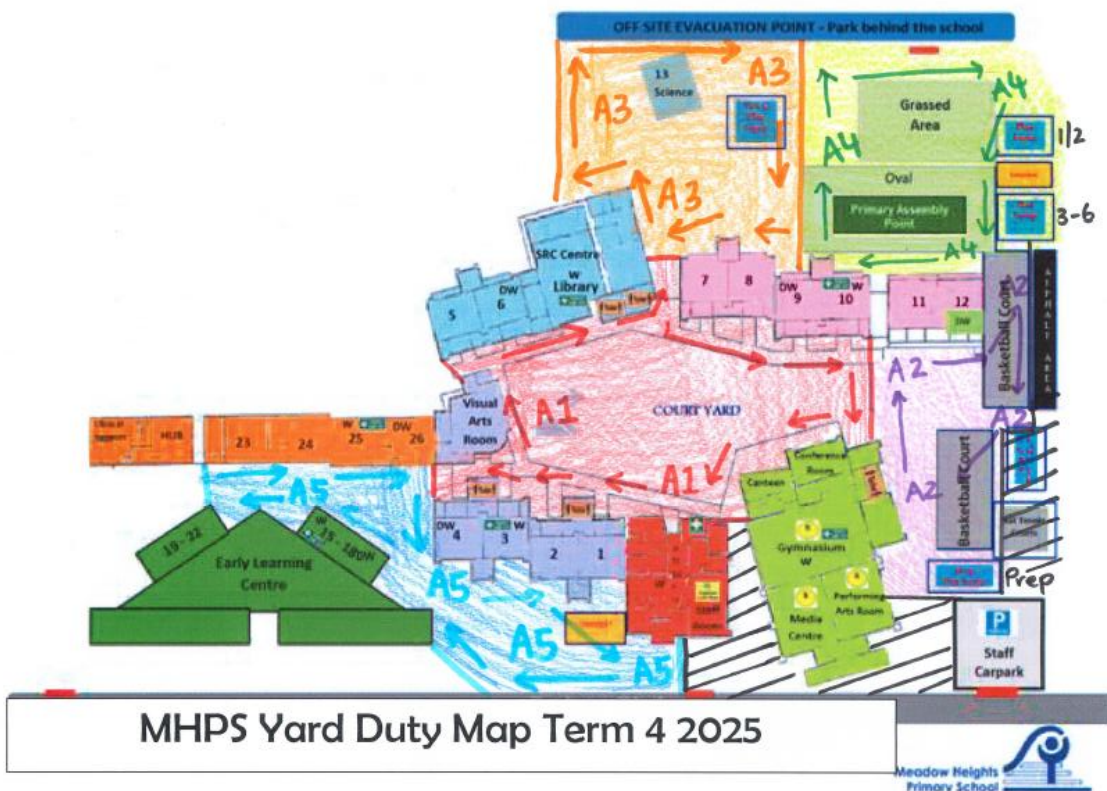

The designated yard duty areas for our school (as at Term 4, 2025) are

Area	Area
Area 1:	The courtyard up to the gates near the basketball court. These gates will now be closed, only open for grades entering and exiting STEM.
Area 2:	The basketball courts and prep playground
Area 3:	Now manned at all breaks. It also includes the space behind Room 31.
Area 4:	The ovals. The playgrounds are now 1-2 & 3-6. There is also designated days for use of the back oval

Area 5:

Front of school from entrance to ELC. Now stops at the office and the area is open to all students.

The front of the school passed the admin building, middle part between staff room and media centre and out the front of the media centre remain closed.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the staffroom
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staffroom.
- Be familiar with the yard duty information pack containing student health and safety information stored inside yard duty first aid bag.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal, Amy Backas with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact a member of leadership but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should a message to the office with a student and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact their teaching partner or team leader for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

Digital devices and virtual classroom

Meadow Heights Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Meadow Heights Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised by a teacher or member of leadership as per the timetable.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.
