**Equality, Excellence and Respect**

At Meadow Heights Primary School our relationships and behaviours are guided by the values of Equality, Excellence and Respect.
During term four of 2015, Meadow Heights Primary School students in year six worked with the Song Room Teaching Artist Debra Goldsmith to produce a graduation banner for their school to celebrate their time at Meadow Heights Primary School. Debra worked with the students to learn basic painting techniques and explore themes of their homelands, families etc.

Each child painted their own square, that would come together to create a design of four people in a circle holding hands.

Each person in this picture represented a season of time at the school and linked in with the Meadow Heights School Song that was simultaneously being created by students at Meadow Heights with Song Room Teaching Artist, Elisse Kleinler.

The end result is vibrant and celebratory and the students and staff of Meadow Heights are very proud of the work that has been created.

LYRICS
From the summer day that school begins
We open wide our door.
To welcome friends from all around
For we celebrate diversity
To welcome friends from all around
We open wide our doors.

In the autumn time the teachers shine
They inspire and encourage everyone
We want to try our best
There is excellence within us all
They inspire and encourage everyone
In the autumn time the teachers shine.

It may be a wet day but still we will play!
Friends notice us, respect us and we know we’re not alone
We play soccer and share hot chocolate in the grade
To warm us in the cold
Winter’s here and our friends are near
As the Early Years programs finish at 11.45, we will be organising the Let’s Connect lunch in the courtyard to follow these activities.
