Dear Parents/Caregivers,

On Friday the 24th of April your child will be attending a Cyber Safety Presentation provided by the Australian Federal Police at the school. This presentation will run for 1 hour and will allow students to ask questions and participate in a discussion about Cyber-Safety. This presentation will inform your child of the dangers and safety issues concerned when using the internet, social media, etc. The school has also arranged a Cyber Safety Presentation by the Australian Federal Police for parents and caregivers from our school community on Friday 24th of April from 5:00pm sharp. It will run for an hour. This seminar has been arranged because our school believes that it is very important for parents/caregivers to understand the dangers surrounding the internet in this digital world and how to best keep your children safe from these dangers in the home environment. Parents will learn about internet concepts such as Social Networking, Mobile Phone Safety, etc. This seminar will also give the chance for parents/caregivers to ask questions and participate in discussions about issues they might be having around cyber-safety at home. If you intend on attending this fantastic Parent Cyber-Safety Seminar on Friday the 24th April at 5:00pm in the schools Media Centre, notices which are enclosed, need to be returned to you child’s classroom teacher ASAP. Thank you for your support and I look forward to seeing you at the seminar.

Term 2.

Welcome back to all, especially Mrs Heather Beatty who has been on family leave and Ms Pina Caruso who has been on sick leave. We would also like to thank Margaret Rawlins for her contribution after many years here as she is retiring this week. I would like to remind you all to rug up this term as the temperature will be a lot cooler. Please ensure all children’s clothing, especially their jackets are labelled clearly with child’s name. I hope everyone had a great break and are ready for a busy term 2, 2015.

2015 Attitude to School Survey WE WANT OUR STUDENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what your child thinks of our school. The Attitudes to School survey is an annual survey for Years 5 to 12 students offered by the Department of Education and Training (DET). It is designed to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's experience at school.

Students in Year 5 and 6 will participate in this year’s survey. All responses to the survey are anonymous. This year the Attitudes to School survey will be conducted at our school over the period Monday 20th April to Friday 1st May. The survey only takes 20-30 minutes to complete and occurs during your child's class time. The survey results will be reported back to the school at the end of July.

Please speak to Domenica De Filippis (Assistant Principal Student Welfare Manager) or your child’s Home Group Teacher if you would like more information.

THEY'RE CALLING ON YOU

Recycle your old mobile phone and help save wild gorillas

One of the biggest threats to gorillas is the illegal mining of coltan in gorilla habitat. Coltan is used in many mobile phones.

You can help by recycling your old phone today! You'll help reduce the need for coltan and help us raise vital funds to support Gorilla Doctors in Africa, an organisation working to protect gorillas in the wild. Next time your phone rings, let it be a reminder that *They're Calling On You!* zoo.org.au/callingonyou Email: takeaction@zoo.org.au

SCHOOL HATS and SUNSCREEN

Meadow Heights Primary is a SunSmart School. We have a policy where staff and students must wear a legionnaire or wide brimmed hat while outside from the beginning of September to the end of April. Wearing an appropriate hat during this time is **COMPULSORY**. Students without appropriate hats must sit in the shade during their am and pm breaks. In the first three weeks of Term 2 your child is to wear a legionnaire or wide brimmed hat while outside. **NO HAT, NO PLAY, NO SUN!** Please support our efforts to teach your child about the importance of being SunSmart by providing your child with an acceptable hat. It is also advisable that your child has SPF 30+ sunscreen applied to exposed skin.
